## Easter Inside Out

### The story as if you were there

David Kitchen

Pb, ISBN 978 1 80039 351 6, £12.99

Acclaimed storyteller David Kitchen reimagines the Easter narrative through a varied cast of characters. If you want to understand who might have been where and doing what as the Easter story unfolds, this book gives you answers in 60 fast-paced chapters. Above all, it lets you sense what it could have been like to be one of those involved in the twists and turns of one of the most extraordinary stories in the whole of history. It's an ideal devotional companion for Holy Week and Easter and beyond, and a great resource for preachers, group leaders and those leading Holy Week reflections.

David writes: *'Every Easter for 50 years, I've told the Easter story in one way or another. But a few years back I realised I'd never had the chance to tell the whole story. So I set out to take the road from Palm Sunday all the way through to Galilee in the company of a range of eye-witnesses: from Simon Peter to Simon Zealot; from Caiaphas to Bartimaeus; from Matthew to Mary Magdalene. There were 17 in all and each of them lit up different aspects of the story. What a journey I had!'*

### Praise for Easter Inside Out

*'Dave Kitchen is a genius! He has a knack for helping us see old stories with new eyes. The Easter story has been one of the foundational stories of western civilisation, and here we have a resource that will help people to enter that story, to feel its significance and meaning, and, even more excitingly, to explore their own response to that story!'* – Stephen March, pioneer priest in Leicester Diocese

*'Dave Kitchen has been getting inside the hearts and minds of the first followers of Jesus and those he encountered for more than 50 years, enlightening and inspiring so many people in the process. Now he has done it again with Easter Inside Out in which we are invited to journey with Jesus and those who knew him from Palm Sunday to Good Friday and then to Easter and beyond. Suitable for personal reflection and devotion, it will also make an excellent small group resource during Lent or even as a one-off book group read, with stimulating questions provided for both.'* – David Mullins, retired Methodist minister
